WHAT'S UP?

Our human hearts run towards trouble like moths to a flame. If our lives have any hope of change, we need a

SAVIOUR.

We need someone who can do a heart transplant and give us

A NEW LIFE.

God promises to do it for everyone who accepts **JESUS** as Saviour!

He says, "I will give you a new heart and put a new spirit in you."

Jesus said that happens when someone believes and is "born again!"

When Jesus died on the cross, He exchanged places with us, taking our sins and faults away and offering His goodness for free!

We **CAN BE FORGIVEN** and changed! All our wrongs can be made right when we have peace and forgiveness.

Call on Jesus now! Pray,
"JESUS HELP ME! JESUS SAVE ME!
JESUS FORGIVE ME!" And He will!!

WHAT'S UP!?

You will be when Jesus saves you!
